Mother's Day Liturgy & Breakfast

With Mother's Day this weekend, love of mothers is the trigger to get us all to spend up and it's hard to begrudge mothers a dose of generosity; after all they do and give. To bring balance and a broader perspective to this, it is worth keeping in mind that May is also the month of Mary the Mother of God in the Catholic tradition. So I think we can combine the two things; linking all mothers and motherhood with our deepest religious beliefs and origins. This morning we celebrated this at the College with a Mother's Day Liturgy and breakfast to which mothers and grandmothers, along with their children, attended. Despite the wet conditions and the threat of another COVID lockdown, it was great to see so many mothers and grandmothers enjoy some quality time with their children or grandchildren. Many thanks to Jason Scanlon – Assistant Principal Religious Identity & Mission, with the support of many staff, for their organisation of this important event.

Blessed Edmund Rice Feast Day

On Wednesday, 5th May, we celebrated the Feast Day of Blessed Edmund Rice. This is a celebration of the life of the founder of our school, the Irishman, Edmund Rice, who became a holy man through the great work of providing schooling to uneducated boys and young men, particularly the poor and disadvantaged. Through the order he founded, the Christian Brothers, schools were started all over the world, including many in Australia. Fifty-four of these schools now continue under the banner of Edmund Rice Education Australia, the body that now carries on the founder's work and, of which we are all a part. We celebrated with a special Mass led by Fr Paul as well as the students undertaking a range of activities in their House groups. There was also an opportunity for parents and students to gather together for Eddie's Got Talent which was a wonderful afternoon of entertainment as classes competed against each other with a range of musical performances. As always, it was wonderful to have many of our old Collegians join us on the day and help us celebrate the life of Blessed Edmund Rice.

COVID-19 Update

The following precautionary restrictions are in place for the Greater Sydney region from 6th May to Monday 10th May:

- ⇒ Students over the age of 12 and staff must comply with the [Public Health \(COVID-19 Mandatory Face Coverings\) Order 2021](#) when travelling to and from school and during school excursions by public transport or by chartered or private transport services;
- ⇒ Staff and students are not required to wear a face mask while at school and this also includes parents and carers visiting schools;
- ⇒ Singing by audiences is to be avoided.

I remind parents that children should not attend school if unwell, even with mild symptoms of COVID-19. Any students with any COVID-19 symptoms will be sent home and are asked not to return until they have received a negative test result and are symptom free. Parents are asked to provide a copy of the test result by forwarding this to Mrs Alison Andrews – College Nurse via her email address:

Deputy Principal's Message ...

This week has been busy at St Edmund's with many events almost each day. We began the week with College photos and I thank parents for ensuring students attended wearing the correct uniform and were looking well presented for the photos. We have also had a very enjoyable Edmund Rice feast day with students participating in activities about the life of Edmund Rice, a whole College Mass and Eddie's Got Talent show in the afternoon. Finally, this morning we have had a lovely Mother's Day event in the hall with a delicious breakfast served to our amazing Mums.

I would like to acknowledge the many staff who have worked hard this week to make all of these celebrations such a success as well as the efforts of many families who were able to attend these events.

A few reminders below:

Disco:

As you are aware, there is a College disco for current students only, scheduled for next Friday, 14th May. You are able to register your child's attendance here:

Please be aware however that we are waiting on the NSW government restriction updates early next week to see if this event is able to go ahead. We will update families as soon as possible with further information.

Year 7/8 Camp:

This week paperwork has been sent home in your child's bag in a large envelope which is needed to be completed for the upcoming Year 7/8 Camp on 2nd - 4th June at Stanwell Tops. I urge parents to complete this paperwork as soon as possible and return to the College office so that we are able to prepare. We will be holding a Zoom meeting online prior to the Camp to share information and allow parents to have the opportunity to ask questions. Details for this meeting will be sent out to families in the coming days.

Mission and Identity

Who was Edmund Rice?

Edmund Rice was born at Westcourt, the family tenant farm in Callan, County Kilkenny, Ireland on 1st June 1762. He grew up in a relatively well-off Catholic family where he developed in faith and received a limited education before joining his uncle's business in Waterford, providing supplies for ships and for the British Navy and Army.

He was respected on all sides because of his fair dealings, particularly in paying the producers for their livestock of which he was a good judge. Edmund was very successful in business and became very wealthy as did many of his social class. He married and it is understood that his wife was Mary Elliot. She died at about the time their daughter, also Mary, was born in 1789. She was raised by Edmund and his step-sister, Joan, who became his housekeeper. In his grief and the turmoil of these circumstances, his commitment to God developed to the stage where he considered entering religious life.

After much discernment and the recommendations of some who knew him, including the forthright Bishop of Waterford, Thomas Hussey, he "abandons the ambitions of his class", sells his business and begins instructing boys of the poor, living on the streets of Waterford.

In 1802, the project begins in a stable in the town while a new school is built on the edge of the city closer to where many of the poor reside. He is determined that school will be conducted according to his improvements on the best standards of the day. The free school, known as Mount Sion, opened in 1803. Edmund and his first couple of helpers were soon caring for two to three hundred students, providing food and clothing as well as an education that would help them in the work places of business and commerce and that would build their prayer life and knowledge of the Bible.

The Ireland of Edmund's day was an unjust place where many lived in poverty and social structures deeply oppressed the majority of the population. Edmund was following the call of the Spirit into a religious life that would impact both Church and society. He and his helpers lived at Mount Sion and this was the beginning of the Christian Brothers. Edmund continued to be involved in helping new orders of sisters with finances and investments, works of charity involving orphans and children of alcoholic parents as well as helping slaves to escape and hide. His life was more and more about Liberation which begins with 'welcoming strangers'. He died in 1844. Pope John Paul II beatified Edmund Rice at a ceremony in St. Peter's Square, Rome, on 6th October 1996. He became known as Blessed Edmund Ignatius Rice. His official feast day is May 5.

Living the spirit of Edmund Rice today.

Here at St Edmund's students truly enjoyed the day exploring the life of Edmund and how they are reflected throughout our College culture. We celebrated Mass with Fr Paul from Holy Name Parish. We also had a House war-cry competition and congratulations to Callan for their win! The last part of the day was the highly anticipated Eddie's Got Talent. It was wonderful to have parents join us again as well as old Collegians. All students and groups presented so well and displayed so much talent.

Mission and Identity continued ...

130 Years of Christian Brothers' School Lewisham

This week we gathered with all Edmund Rice schools to celebrate the 130th anniversary of CBHS Lewisham at St Mary's Cathedral. Our College Captains, Anant and Kori represented the College and enjoyed the opportunity to celebrate in the Cathedral, the mother Church for Catholics in Australia.

The Dish

The Dish is a local outreach to those most in need in our local community. The Dish is asking in these winter months for donations of clean blankets for distribution to the homeless in our local community. If you are able to donate a blanket please drop it off at the College Office.

Mother's Day

It was wonderful to have over 60 mothers join us for our Prayer Breakfast this morning as we gave thanks for their presence and love in our lives. We thank the many staff that supported the preparation and organisation of this most important event.

We give you thanks for our mums. We are grateful that you chose to give us life through them and that they received the gift of life from your hands and gave it to us. Thank you for the sacrifices they have made for us throughout our lives. We pray that our lives may reflect the love they have shown us.

For some of us this may be our birth mother, for others, it will be the women who raised us, who were our mothers in childhood – an adopted mother, older sister, aunt, grandmother, stepmother or someone else. We wish to express our thanks for those women who held us and fed us, who cared for us and kissed away our pain.

Mother's Day Blessing

God of Sarah, Ruth and Rebecca; of Elizabeth, mother of John, of Mary, mother of Jesus, listen to our prayer:

Bless all who 'mother' and bring new life in any way, these 'mothers' who teach and guide, who encourage and heal.

Invite them to the table of your eternal feast, these 'mothers' who feed and nurture the life that has been entrusted to them.

Embrace them warmly in the intimacy of your love, our 'mothers' who embrace with affection those who are in need of their love.

Bless them today with all good things: with health, with laughter, with joy and with love, with pride in their 'children' and the support of many friends.

May all 'mothers' who have nurtured life in others be themselves nurtured one day in your strong embrace, there, for all eternity, to rejoice with their families and friends.

Amen

Consent

All students at St. Edmund's participate in the So Safe program. So Safe provides each child with the type and degree of verbal and physical intimacy appropriate with different categories of people. A poorly developed sense of appropriate personal boundaries between the students and others is a major risk factor and increases their vulnerability.

Our current focus at St. Edmund's is the concept of *consent*. "Consent means I ask, you say yes. You ask, I say yes." The language of consent is used across the school day in many situations including asking consent to borrow items such as pencils, consent to take photos of peers in lessons, consent to ask to do up shoelaces or help with personal care.

The nature of disability will often require a lot of personal touching. Dressing, toileting and other types of physical contact and personal care are part of many students' day-to-day routine. Consistent communication and specific language are so important.

The following symbols are used to support consent. These symbols can be found in the People and Relationship booklets that every student in the College has been given.

EDDIE'S GOT TALENT!

A huge thank you to all those involved with Eddie's Got Talent this week. Congratulations to all our students who competed and entertained us all. Well done to our Year 12 students for their overall win and we must not forget to thank our wonderful judges and Mrs Eldridge for her hard work in making this favourite event such a success!

From the Parent Group

Thank you to Jon for presenting the Child Safeguarding Information Session last week. The parent community appreciated the information provided and also the opportunity to interact and ask questions.

We have an exciting opportunity here in our school to be a part of a St Edmund's Community Business Directory. This Directory will provide parents, carers and school supporters who have small businesses the opportunity to list and promote their business. It is aimed at supporting those who give to the school the platform to advertise their business and, at the same time, gives us the opportunity to use local trusted businesses for our services. A link to the application form is below.
